EN

Vicpuntzero

the starting point of
local history

Experience a city's heartbeat across time, history and art

Archaeological site

Enter a unique site from different periods –Roman, late-ancient and medieval– that coexist with the Baroque splendour of the city of Vic. Discover 2,000 years of history in a single space.

An immersive
experience and
a guided tour
through 2,000
years of history.

Immersive audio-visual

The magic of an audio-visual show projected onto the walls and ceiling of the Capella Fonda that, using new technologies, allows you to experience time travel, guided by art.

The bell tower of La Pietat, the highest point in Vic

Climbing up to the top of bell tower of the baroque church of La Pietat is the best way to enjoy a 360° panorama of the city, the Plana de Vic and the surrounding mountains.
